ANTI-AGING CREAM

Anti-aging cream with Hyaluronic Acid, enriched with Red Grape Water and Myramaze. Its soft and silky texture moisturizes the skin and brings luminosity and smoothness to the face; from the first use the skin recovers its splendour.

USE: apply morning and evening on cleansed skin. Massage delicately until it is fully absorbed. For intensive treatment, apply a few drops of Face Oil Elixir first.

50 ml | 1.69 fl. Oz.

FACE OIL ELIXIR

An innovative oil with an intensive anti-ageing effect and which is easily absorbed. Formulated with precious Argan, Macadamia and Rice oils in combination with Beta Carotene and Vitamin E, it moisturizes the skin and brings luminosity to it, making it appear younger from the first drops. The skin reacquires vitality and elasticity.

USE: apply morning and evening on cleansed skin. Massage delicately until it is fully absorbed. Can be used as a base under a Sevens Skincare face cream.

30 ml | 1.01 fl. Oz.

DETOX CREAM

Oil control and detoxing cream with Mandelic Acid, Glicolic Acid, Oat Extract, Rice and Almond Oils and Starch. Suitable for blemish-prone or combination skin. Delicate and easily absorbed, it guarantees a matt effect and is an ideal base for make-up.

USE: apply morning and evening on cleansed skin. Massage delicately until it is fully absorbed.

50 ml | 1.69 fl. Oz.

SENSITIVE SKIN CREAM

An intensive cream which soothes, protects and calms. It restructures the skin barrier and restores the skin's hydrolipidic film, protecting sensitive skin. It reduces redness thanks to Shea Butter, Almond Oil and Vitamin E.

USE: apply morning and evening on cleansed skin. Massage delicately until it is fully absorbed. For intensive treatment, apply a few drops of Sensitive Skin Serum first.

50 ml | 1.69 fl. Oz.

SENSITIVE SKIN SERUM

A soothing serum which reduces redness, specially created for couperose and sensitive skin. Its rich formula with Hyaluronic Acid, Betaine, Allantoin, Vitamins E and PP brings relief to the skin, calming redness and soothing.

USE: apply morning and evening on cleansed skin. Massage delicately until it is fully absorbed. Can be used several times a day and with Sensitive Skin Cream.

30 ml | 1.01 fl. Oz.

EYE & LIP ELIXIR

Lip and eye elixir with Hyaluronic Acid with a plumping, lifting and anti-ageing effect. The exclusive vitamin-packed mix (E, C, B3, B5, B6 vitamins) brings luminosity and moisturizes. An emergency treatment with visible results immediately from the first application.

USE: apply morning and evening on cleansed skin. Massage delicately until it is fully absorbed.

30 ml | 1.01 fl. Oz.

REPLENISHING & ANTIAGE FILLER

An innovative and exclusive serum filler with double effects: filling for an immediate lifting effect and anti-ageing for more luminous younger-looking skin. The combination of Hyaluronic Acid with extremely low molecular weight and Reforcyll, a powerful anti-oxidant, have an intense rejuvenating action on facial skin.

USE: apply morning and evening on cleansed skin. Massage delicately until it is fully absorbed. For intensive treatment, first apply a few drops of Face Oil Elixir.

30 ml | 1.01 fl. Oz.

ANTI-BACTERIAL SKIN-SOFTENING HAND TREATMENT

A light antiseptic, skin-softening cream that protects and nourishes the hands leaving the skin soft and supple. The non-greasy formula is enriched with an antibacterial complex containing colloidal silver and active ingredients that are highly biocompatible with a cleansing, antimicrobial and protective action to regenerate the skin's bacterial flora. The presence of colloidal silver in the cream is essential for its disinfectant and bactericidal action on the skin. Non-greasy.

50 ml | 1.69 fl. Oz.

Face Mask DETOX / ILLUMINATING

A detox concentrate that brightens the face instantly. It is recommended for all skin types. The exfoliating power of Mandelic and Glycolic Acids combined with the sebum absorbing action of Rice Starch and the softening properties of Almond Oil help to eliminate the toxins and impurities that make the complexion look dull while performing a delicate, skin uniforming and illuminating exfoliating action.

22 ml | 0.73 fl. Oz.

Face Mask ANTI-AGE / SMOOTHING

An anti-age serum concentrate that gives the skin an extraordinary "new skin" effect. Its formula is enriched with Hyaluronic Acid and the exclusive Myramaze, a real oasis of well-being for dry, dehydrated skin which regenerates and strengthens the epidermis thanks to its great moisturising power and its impassable protective barrier, significantly improving the complexion.

22 ml | 0.73 fl. Oz.

Gold Face Mask FILLER / PERFECTING

A serum-infused filler that provides an extraordinary face plumping effect. This mask of gold cellulose microcrystals creates a perfect barrier enabling the serum to penetrate faster and in depth. The synergy between Hyaluronic Acid with a very low molecular weight and Reforcyl, a powerful anti-oxidant, performs an intense skin rejuvenating action, minimising wrinkles and expression lines.

22 ml | 0.73 fl. Oz.

Face Mask MOISTURISING / NOURISHING

A refreshing cocktail that moisturises the skin deep down instantly. Its formula rich in Hyaluronic Acid improves skin elasticity and moisturisation. Vitamins E and PP protect the skin against oxidative stress and help prevent ageing while the Shea Butter provides deep down nourishment.

22 ml | 0.73 fl. Oz.

Lip Mask FILLER / SMOOTHING

A serum-infused filler that gives an extraordinary smoothing effect to the lip contour area. This 100% cellulose mask made of ultra-thin fabric adheres perfectly to the face encouraging the absorption of the active ingredients when applied. The exclusive blend of Vitamins E+C and Hyaluronic Acid performs a corrective, filling and anti-age action on the small barcode lines above the lips.

7 ml | 0.24 fl. Oz.

Gold Eye Patch FILLER / REDENSIFYING

A serum-infused filler that awakens and brightens the eye contour area. These gold cellulose microcrystal patches create a perfect barrier enabling the serum to penetrate faster and in depth. The formula enriched with Hyaluronic Acid and a blend of multivitamins helps to correct, fill and minimise wrinkles and expression lines while performing an intense anti-ageing action.

7 ml | 0.24 fl. Oz.
